

Presenting A Workshop On...

Documenting Our Roots

Workshop Objective

The plan is to encourage you to begin documenting your life's story in a fun and interactive setting. There is no one way to document your roots. Come and discover your way. Future generations will thank you.

Workshop Agenda

- * *Getting started*
- * *Writing prompts*
- * *Preserving documents and photos*
- * *Publishing/sharing*
- * *Genealogy*
- * *Researching*
- * *Using Ancestry Library Edition website, courtesy of the Red Lake Public Library*

Workshop Leader

Catherine Mochrie is a retired teacher who supplies at the Red Lake District High School. She has over 20 years experience in the education field having worked in the elementary and high school panels as well as with adult literacy. Catherine has delivered workshops on Writing, Communication and Memoirs at various conferences and in her local community. She has combined her love of heritage scrapbooking and encouraging people to write into a 10 week course "Memoirs Made Easy: and a workshop entitled, "Documenting Our Roots". It is her passion.

Each participant will receive a folder of hand outs including a list of websites relating to memoirs an genealogy.

- * *This is a one day course*
- * *Registration is necessary...please visit the Red Lake Library to register*
- * *Cost per person is \$20.00*
- * *A minimum of 5 people must be registered in order for the program to run*
 - * *Please add your name to the waiting list for a future class*
